

## Preceptor Manual Grab-n-Go Document

The Preceptor Manual Grab-n-Go document is provided to assist and support you with the task of being a preceptor to new surveyors. The materials listed in this document are resources located within the Preceptor Manual in a simplified manner for quick and easy access and are not official CMS documents.

Table 1 lists the Learning Activities for Introduction to Surveying for Long Term Care and a brief description.

**Table 1** Preceptor Resources

Learning Activities	Document Link	Description
LTC Concentration	<a href="#">LTC Concentration</a>	Given a Concentration PowerPoint presentation, the surveyor will match the sources of information.
LTC Deficiency Puzzle F314	<a href="#">LTC Deficiency Puzzle</a>	Given excerpts from various versions of a deficiency statement, surveyors will choose the best-written statements to build a good deficiency statement.
LTC Jeopardy	<a href="#">LTC Jeopardy</a>	Given a common survey definition, abbreviation, or acronym, the surveyor will guess the term, abbreviation, or acronym.
LTC Just the Beginning	<a href="#">LTC Just the Beginning</a>	During this 2 part activity surveyors will be given a set of situational examples, and will identify the clinical record, observations, and individuals to interview for each scenario while conducting a survey in a long term care facility.
LTC Placement and Severity	<a href="#">LTC Placement and Severity</a>	Given a scenario, the surveyors will identify the potential regulation and use CMS guidance provided in the State Operations Manual (SOM) to determine severity and scope.
LTC Resident Eight Case Study	<a href="#">LTC Resident Eight Case Study</a>	In this 60-minute case-based activity, the surveyor will describe the problem or concern,
